L.O To use a word processor to write and insert
photograph

On Monday class two went to Vindolanda for a school trip. All these letters are Roman letters.

This is our Roman teacher, he is a piece of glass but he did move. He taught us how to say hello and the numbers up to three.

This is a Roman soldier he is in his armour. Look at his big feather. He has all his weapons on him.

Look at this building. It would have been new if you lived one thousand years ago.

All these boys are all together. (Year three and year two boys.)
