L.O To use a word processor to write and insert
photographs

This is class 2 at the Roman Vindolanda Museum in Northumberland. The Museum was good but the bus ride was boring. We all saw a holographic picture and we learnt how to speak Latin. It was amazingly good fun because there were loads of things to do and I think it was one of the best school trips ever. I thought it was good because I like to learn about history. Thank you Mr Watson.
