L.O To use a word processor to write and insert photographs.

On Monday Class 2 went on a school trip to Vindolanda that is in Northumberland. The first thing we did was to look in a Roman classroom. We listened to a man that

taught us about numbers in Roman times. In the middle we had lunch. After that we went to this place that showed us Roman armour and Roman helmets.

This is an alphabet. This is a Roman alphabet. If you look closely there are different letters. These letters are

Roman letters.

This is the first thing we did on the trip. We watched a man. He told us to say our names in Roman times.
