L.O To use a word processor to write and insert  
photographs

This is a Roman soldier on a horse. Trying to kill the Celts  
boo!!! Romans are good soldiers.

They are Roman helmets they are used to protect Roman  
heads. They are normally metal because it's better  
protection for their head.

This is Hadrian's Wall and class 2. Class 3 and class 1 were in school but they went to the Viking museum later in the week.
