Primary School Guarantee

At Melsonby Methodist Primary School we believe that each individual child matters. Through positive attitudes and partnerships we seek to develop the whole child, meeting individual needs in a safe, happy, respectful and secure environment where differences are included and celebrated. We promote Christian values in all we think, do and say (whilst having regard for other faiths).

Learning should be fun, purposeful and challenging. Through our effective curriculum we aim to equip each child with the skills they need for lifelong learning. We develop enthusiastic and confident learners, who take ownership of their learning and are proud of their achievements.

All members of our school community work together to maintain a stimulating, safe and clean environment which encompasses not only the school and its grounds, but the surrounding area. We promote sustainability and an awareness of wider global issues through our curriculum and the links made with our local and global communities. We care for, learn from and find out about our local environment and seek to foster a care for the outdoors by using the locality whenever possible.

Above all we believe that good teamwork and positive partnerships with individual children, the whole class, our colleagues, governors, parents and the wider community will lead to better communication and therefore effective teaching, high standards and successful learning.
