Whole School Percussion Day

On Friday we had a whole school percussion day lead by Emma Calvert from North Yorkshire Music Service. The children all learned some African songs and dances as well as learning to play Jembay and Dun Dun drums. The day came to an end with a concert showing everything children had learned through the day. Check out our facebook page and website for some video footage of the day.

Planting for the school

Last week all the children had an opportunity to work together to plant flowers in pots and tubs around the school. They learned the names of the plants, how to plant them properly (thanks to Alfie for showing us all how) and how to care for them over the coming weeks.

School Coffee Morning

There was a coffee morning, on Friday the 19th of June between 10.00am and 11.30am, organised by the School Council. There were refreshments as well as cakes and biscuits for everyone and there was also guided tours of the school given

by the children. It was a super success and thanks go to all the people who visited us and also the School Council for all their hard work.

Play Area - Basket Swing

The seat from the Basket Swing is going to be removed within the next few days and returned to the manufacturer for checking. The Parish Council will be getting a replacement seat but it may take a few weeks before it arrives. The swing frame is not being replaced. Since the incident when the Basket Swing appeared to have been dismantled by a child, the same thing has happened in another location. The supplier has therefore decided to replace the seat and fixings as a precaution.
