Don't forget the Friends of Melsonby Primary School Christmas Fair at School tomorrow Saturday 22nd November

Parent's Maths Workshop

The aim of the workshop is to provide you all with a clear outline of the key features of maths teaching at our school, as well as providing you with materials that you can use at home to support children's maths development. The workshops will be delivered in each of your child's classes to ensure the delivery is pitched correctly for you at your child's current level of ability and that you also get to know the strategies that are important for your child's learning. The workshop starts at 6.00pm On Tuesday the 25th of November.

Christmas Jumper Day

The school will be joining in the fun on Christmas Jumper Day, Friday 12th December, so wear your silliest, corniest, loudest and not forgetting most Christmassy jumper you can find and help us raise a little money for disadvantaged children in the world. We realise you have been asked for a lot of donations recently so the school will make a £1 donation for every person wearing a Christmas jumper on the day.
