Parent's Reading Workshop

You are all invited to a reading workshop in school on Tuesday 21st of October beginning at 6.00pm. It is an opportunity to find out how reading is taught at Melsonby school as well as learning about how you can improve the reading process between yourself and your child / children.

Parent's Maths Workshop

This workshop has been re-organised for Tuesday the 25th of November starting at 6.00pm. The aim of the workshop is to provide you all with a clear outline of the key features of maths teaching at our school. As well as providing you with materials that you can use at home to support children's maths development. The workshops will be delivered in each of your child's classes to ensure the delivery is pitched correctly for you at your child's current level of ability and that you also get to know the strategies that are important for your child's learning.

Mrs Smith (The Marathon Runner)

I would like to extend a huge congratulations to Gail Smith who successfully completed the Yorkshire Marathon in a very respectable time of 4:15:03. Gail also raised money for Sue Ryder and The Friends of Melsonby School. So very well done Gail and now you can have a well-earned rest!
