Friday 11th June 2020

As the weather has turned decidedly more 'British Summertime' I hope the wind and rain is not spoiling plans at home too much.

I would like to say hello and pay tribute to those families who are still continuing with home learning and have pupils who are not eligible to return to school. Teachers have spent time discussing those pupils who are working hard at home this week. I have seen some of the work that has been sent to teachers and I've been very impressed with the creativity and commitment.

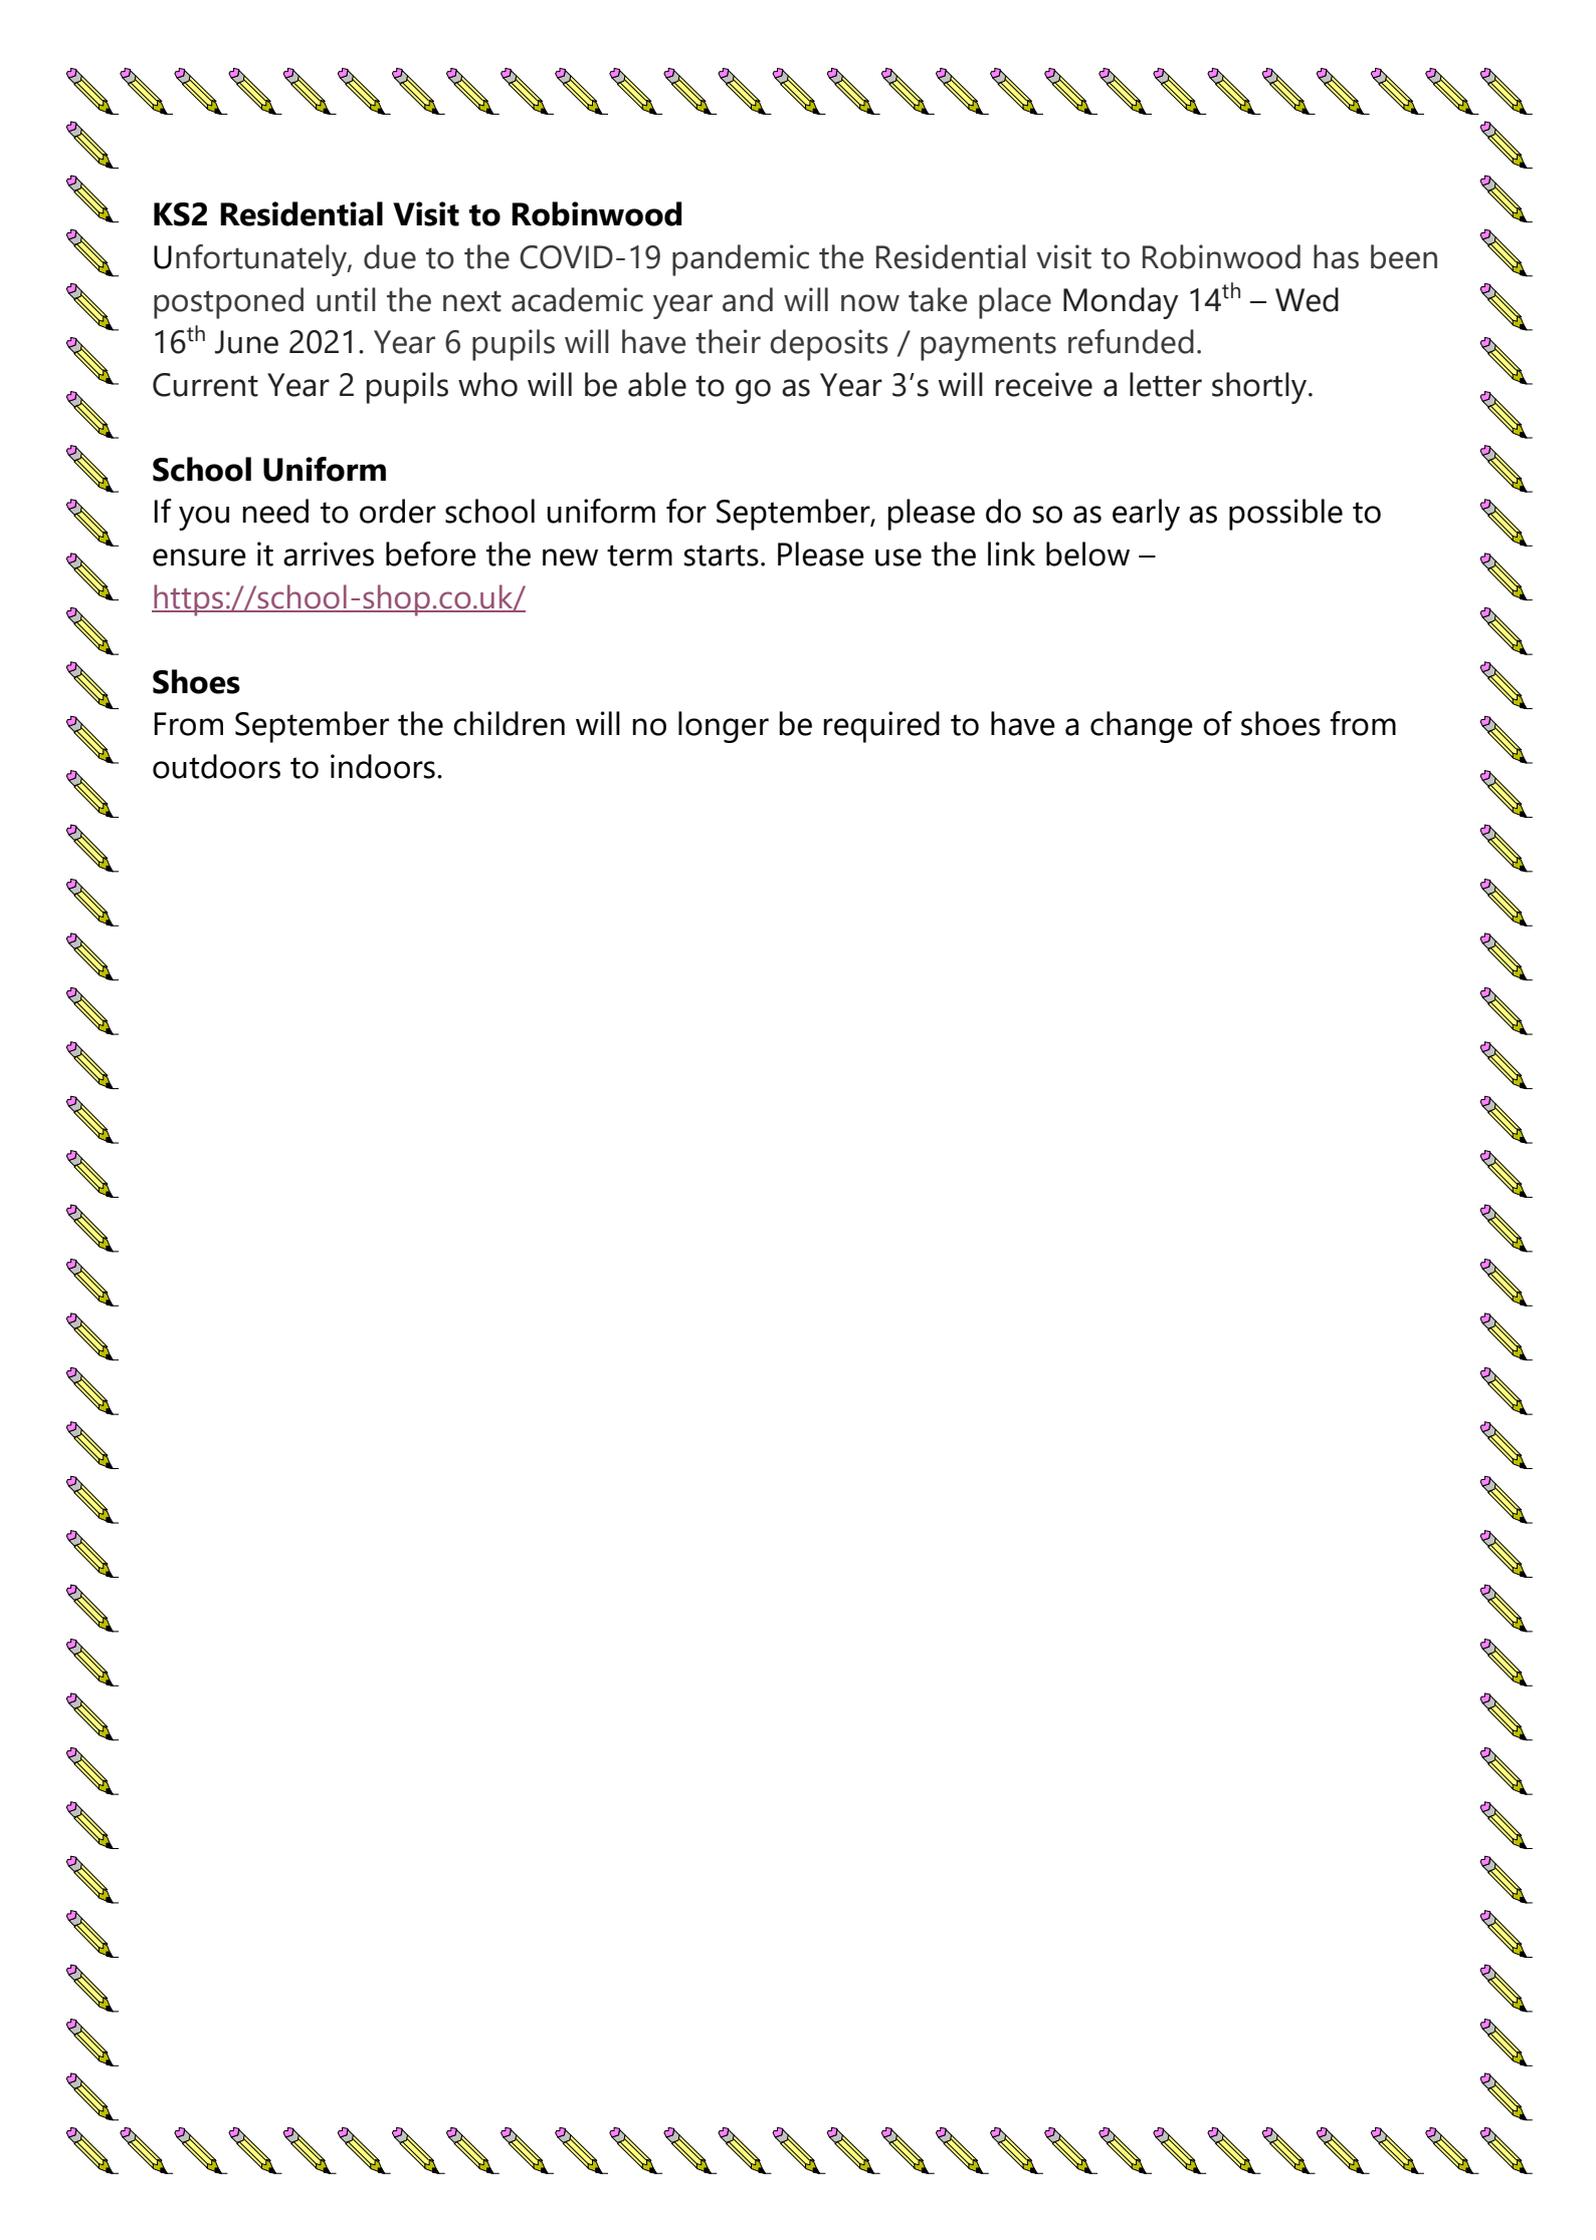

In school we have **now reached full capacity** with the numbers of children we are able to accommodate. If you require support and were wondering about returning your pupil to school then please call us. In the short term we are restricted by Government guidance and can't increase our numbers. We are hopeful that there may be some change as we progress through the summer term.

Although it was disappointing to hear that a wider reopening of schools has been stopped until September, we are now turning our thoughts to ensuring pupils have the support and guidance they need on their return. I can confirm that Mrs Simpson will teach Class 2 and that Mrs Davison (Monday-Wednesday) will share the teaching of Class 1 with Mrs Smith-Burrows (Thursday/Friday). Mrs Bates will continue in her role as HLTA supporting both classes and Miss Rush will continue to be a Star in the office.

Summer is approaching and we will try to keep children as active as possible there has been a noticeable focus from staff as well – regular morning workouts and a lack of biscuits in the staffroom! Mrs Davison is a 'Knockout' at the 'Rocky' work out on Just Dance!

Take care and thanks for your continued support - please get in touch if we can help in any way.

Many thanks
Mr Linsley
