26th November 2021

Dear Parents and Carers,

Thank you to everyone who responded to our parental feedback survey. I am writing to you to share a summary of the responses given. We were overwhelmed by the responses from everyone so thank you for taking the time to complete this for us. Some of the highlights are listed below.

All parents feel:

- that their child enjoys school and that the school helps build the confidence of their child;
- we offer an engaging curriculum with a wide range of learning experiences;
- welcomed by the school and by their child's class teacher;
- that their child feels safe and knows who to talk to if they are concerned about something;
- that their child's class teacher respects and values their opinion;
- that there is a wide range of extra-curricular activities on offer.

On the whole, the feedback was extremely positive which we are all very proud of. However, we are always mindful of what else can be done to ensure our children receive the very best education and experiences. Please see below some of the things that we will be working on moving forwards based on your feedback.

- Include a wider range of inclusive texts in our curriculum to further develop pupil's understanding of the needs of all children.
- Reintroduce the Toddler group.
- Ensure dates for all events are given with as much notice as possible.

Once again, thank you for your continued support and feedback.

Kind Regards,

Helen Robinson

Executive Headteacher of North and South Cowton and Melsonby Methodist Primary Schools
