

The Federation of North and South Cowton Community and Melsonby Methodist Primary Schools

Melsonby Methodist Primary School
Live life in all its fullness

North and South Cowton Community Primary School
Aspire, Inspire, Enquire

Friday 18thth March 2022

Dear Parents and Carers,

This week, we are pleased to share with you our updated Federation and School logos which can be seen above. The second page of the newsletter will give you a little more information from each school about how we came to agree on our straplines.

Across the country, children in their schools this week are taking part in science week to raise the profile of this crucial subject. Within our Federation, we decided to look at a different scientist each day of the week and how their findings have helped shape what we know today. Our first scientist of the week was Charles Darwin and many of the children had great joy finding out more about him and sharing their findings with others.

A big thank you everyone that took part in Comic Relief to raise funds for those most in need. We look forward to finding out the total of how much we have raised next week!

Have a lovely weekend!

Mrs Robinson

Federation Notices and Dates

A reminder to please follow us on Twitter to find out what your child has been learning in school. Each week, we will upload photos from across the Federation so that you can find out more about what has been going on in each of the classes.

Book Recommendations

The Matilda Effect is a great book which is all about Matilda's love of science and the discovery she makes about her Grandma. We would highly recommend this book!

News from Melsonby

In the Bible, John 10 vs 10 tells us that Jesus said “I have come that they may have life in all its fullness.” **Life in all its fullness** is about living a varied and full life - full of learning, growing, helping, reward, joy, excitement and caring for each other. At school, we aim to help each other to learn how to do this. It is not always easy to live life like this and so we help each other with the challenges that come along the way.

We would like to thank the Sports Day committee for their donation towards the school.

Class 1 enjoyed putting up their posters around the village this week, thanking the local community for all they are doing to help save the planet.

Achievement

Class 1 – Chad

Chad has continued to impress us with his approach to all aspects of his learning and in particular, his knowledge and speed with his times tables. Well done Chad!

Class 2 – Tom

For showing resilience and a positive attitude to his morning maths work with Miss Bates. We have been so impressed this week Tom. Well done!

Values

Class 1 – Seth

Seth received multiple nominations for the value of kindness. He consistently demonstrates this in all of his interactions with adults and children. Well done!

Deadlines and Reminders

Dates for your Diaries

Thursday 7th April – FOMS Easter Coffee Morning at St James' Church 9.30 -11.30

Friday 8th April – Easter Service at St James' Church, 2.00. End of Term. **NO AFTER SCHOOL CLUB**

Monday 25th April – School re-opens

News from North and South Cowton

The words **Aspire, Inspire, Enquire** encapsulates what we believe our main ambition as a school is. We want all children to hold high aspirations of themselves and others, developing a growth mindset. In doing this and demonstrating our school values, they will inspire those around them to go above and beyond and through our knowledge rich curriculum, the children will develop curiosity about the world around them.

A Silver Medal for Year 5 and 6 at the netball. Huge congratulations! The children worked so well together to display cooperation within their own team and respect for one another, as well as for teams from other schools.

Achievement

Class 2 – Connie

For not only always having such a positive attitude to her learning in class but also for how she applies this outside school to her sports too. We are always so impressed to hear of these achievements. Well done!

Values

Class 1 – Ivy

Ivy consistently shows responsibility for herself and for the environment. She always offers to help others and look after them in our school. Well done Ivy!

Deadlines and Reminders

We would appreciate if all payments to school could be brought up to date by the Easter break. Thank you.

Dates for your Diaries

Friday 8th April – Easter egg Hunt & break up for Easter

Monday 25th April – School re-opens
